Much greater detail than the kit decals. Comes with illustrated instructions and Wet Medium Paper for easy application.

SIMULATED GRILLE DECAL

G scale
AR35378 (Formerly AR88087)
\$7.95

This decal is designed to simulate metal grilles commonly found on railroad and industrial equipment. This is a simple alternative when photo etched parts are not available or you just want something that looks good and is easy to use. Saves time, looks good and the price is right. Sheet contains 6.4 square inches (16.3 sq. cm) of decal.
